

WCCA E-MAIL AUTHORIZATION

In order to enhance communication with our Academy parents, WCCA uses e-mail and RenWeb as the means to keep parents informed regarding student progress as well as WCCA events.

The *Eagle Forum* and special announcements from the office, your student's teacher(s), or PTF will be e-mailed to you. At times, printed copies of special announcements will be sent home with your student(s), as needed.

You have a choice of one of five methods through which you can receive the *Eagle Forum*:

1. We will send it directly to your e-mail (quick and convenient), or,
2. you may stop by the office every two weeks and pick up your copy, or,
3. you may access it under "Newsletters" in RenWeb, or,
4. you may access it on our website, www.wccaeagles.org, or,
3. for \$25, we will send a copy to you every other week in the mail.

Please complete the following and **return this form to the school office!** If both mom and dad would like to receive all information at separate addresses, please provide both e-mail addresses in the spaces below. Also, e-mail addresses are required for parents to access RenWeb.

Thank you for helping us "stay in touch."

Student(s) Name(s) & Grade Level(s): _____

Parent(s) Name(s) (for family e-mail) _____

Please print
